THREE-TIME BASIC SEMINAR CERTIFICATE

Upon completion of three Basic Seminars taught by authorized instructors of the Mary Burmeister Jin Shin Jyutsu Institute and the Jin Shin Jyutsu Spirit Mind Body faculty, a second certificate is issued, confirming that 105 hours of class time have been attended. Our Jin Shin Jyutsu **Online** Basic Seminar classes are not able to offer the hands-on component provided in the in-person classes. Therefore, in order to receive the Three Time Certificate at least one of the three Basic Seminars needs to be in person which includes the hands-on component. Or, the student needs to attend a Special Topic Class in which the main focus is the Jin Shin Jyutsu practical component including body reading, pulse listening, demonstration and hands-on practice.

For those students considering practicing Jin Shin Jyutsu professionally, attendance of a minimum of three Basic Seminars is required. We suggest spreading these classes over at least 18 months of study and practice.

JIN SHIN JYUTSU PRACTITIONER

You can refer to yourself as a Jin Shin Jyutsu® Practitioner if you have attended at least three Basic Seminars and are willing to honor and follow the Jin Shin Jyutsu Code of Ethics. At this stage a student has usually gained a basic awareness and understanding that Jin Shin Jyutsu is a lifetime of study that is just beginning.

Please check with your local regulatory authorities regarding the legality for practicing Jin Shin Jyutsu professionally in your area.
